

Uridan Spinnaker (SCR)

By designer uridan a/s

The Spinnaker privacy screen is a stylish Danish Design urinal screen providing privacy and comfort for users in commercial amenities.

Brand Name/Model number: Uridan Spinnaker (SCR)

Elegant Design

The Uridan Spinnaker privacy screen is a strikingly stylish partition that will instantly lift the appearance of any commercial bathroom.

Originally designed to complement the design lines of Uridan Admiral, the Spinnaker privacy screen is increasingly specified for commercial and public amenities.

Privacy & Comfort

Urinal partitions have become an important part of good amenities design. In addition to adequate spacing between urinals, providing a privacy screen between units enhances user comfort.

Product Specifications

Simple to install with no visible brackets, the Uridan Spinnaker privacy screens are available in a range of standard colours. Screens can be manufactured in special colours to suit specific customer requirements.

The architectural effect of the Uridan Spinnaker installed between urinals is stunning, adding to the already striking visual appeal of a row of Uridan waterless urinals.

Model:

- SCR Glass reinforced plastic

Installation:

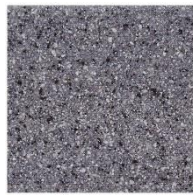

- Wall hung with non-visible fixing bracket

Colours:

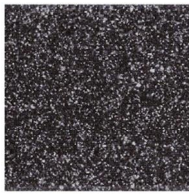

- Standard colours shown below

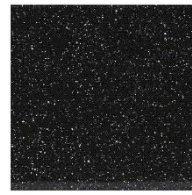

White

Stone Grey

Granite

Stone Nero

Jet Black

The image below shows four Uridan Admirals and a single Uridan Cadet waterless urinal (installed low on the wall as a children's urinal) with the Uridan Spinnaker Privacy Screen.
