

Compass

This versatile urinal can be used by men, women, and children alike. Female and unisex waterless solutions are perfectly suited for event hire toilet facilities where there is a desire to reduce toilet queuing and water usage or where destinations have a limited water supply.

The Compass has gained popularity in low-energy homes in Europe.

Key Benefits

Design:

uridan are the market leaders when it comes to product design. Each uridan urinal is Danish designed, with our range presenting itself like an artist's body of work - each piece being distinctly uridan, and yet individual in its own way.

Technology:

uridan invest heavily in constantly innovating and re-designing each of our products so they are future-ready. Take our new intelligent drain cover for instance, which lets you know via our smart LED indicators exactly when maintenance is required. SMART Technology delivers 100% touchless operation while boosting performance and improving the user experience.

Sustainability:

Every organisation can contribute to the future. uridan is a daily essential that makes the world better by saving precious water every day!
